

November 15 Campout w/Webelos – Pack 490 Sports/Scout Skills Day

Troop 490’s November adventure will be a Sports and Scout Skills Day with the Cub Scouts of Pack 490, followed by a campout with the Webelos from Pack 490 at St. Gregory’s. This event will begin at approximately 8 AM on Saturday, 15 November – with a day-long Sports and Scout Skills Day for all Pack 490 Cub Scouts. After the Pack event, the Webelos will remain to complete an overnight campout with the Troop on the St. Gregory field. The event will conclude after a breakfast at 9 AM Sunday, 16 November.

In addition to providing a great opportunity to get to know the Cub Scouts or our affiliated Pack, the weekend will provide an opportunity for the Boy Scouts of Troop 490 to mentor potential future Boy Scouts, to work on several requirements for the Sports and Athletics Merit Badges, and to complete camping related advancement and merit badge requirements.

We will be doing a good bit of cooking in the pavilion – feeding lunch to the entire Pack and Troop on Saturday, and cooking dinner and breakfast for the Webelos and our Troop. In order to provide adequate food, cost of this campout will be \$5.00 for Boy Scouts and Adults.

The bottom of this permission slip and payment is due to your Patrol Leader no later than the troop meeting on Thursday November 13, 2008. We have a good event planned and need as many Boy Scouts and Adults as possible to participate to make our event a success. Please make every effort to attend.

✂ -----

I give permission for _____ to attend the November 15 2008 Campout at St. Gregory’s with BSA Troop 490.
